

BMS Online Summer School 2019

Summer 2019

Duration: May 28-July 5th, 6 Weeks total.

Courses offered: 7th-8th ELA and Mathematics, Mississippi History, World Geography

Qualifications: School Recommendation.

Costs: \$200 for 7th-8th ELA and Math, \$100 for MS Mississippi History and World Geography. The cost would include the use of a chromebook for the summer.

Coursework/Assignments: All assignments will be completed via Canvas. There will be daily and weekly assignments that must be completed on the dates that are assigned.

Tests: Unit and End of course exams must be completed on the date scheduled. All BSD students will take proctored exams at BMS with an approved instructor. All students outside of BSD will take exams at a location determined by the student's local school district.

Orientation: All participating students must attend an orientation session with a BMS administrator. These sessions will be conducted on May 23-24. Additional dates will be added as needed.

Withdrawals: Students will only be allowed to withdraw for extreme circumstances that have to be approved by BSD and local school administration. This withdrawal would have to be approved by BSD administration and local school district administration.

Teacher/Student Contact Info: Each teacher will have a set time during the weekdays where phone calls, emails and video chats will be conducted.

Grading Policy: This is a credit recovery option. The max grade that a student will receive on their report card is a 65 or passing equivalent. In order for a student to receive a passing grade they must complete the required number of daily assignments and have a 65 average on all unit tests given.

Students will need to fill out a registration form and a student authorization form to be admitted.
