(mm/dd/yyyy)

Dear Parent or Guardian:

We value what you do to help your child succeed in school. One part of our school’s parent and family engagement policy is this school-parent compact. This compact is developed jointly with parents and identifies ways you and school staff can share the responsibility for supporting your child’s learning.

School’s Responsibility:

- We will provide high quality curriculum and instruction in a supportive and effective learning environment
- We will provide you with assistance in understanding academic achievement standards and tests, how to track your child’s progress, and how to establish an successful homework setting and routine
- We will provide opportunities for regular communication between you and teachers through:
 - parent-teacher conferences,
 - frequent reports about your child’s progress,
 - opportunities to talk with staff, volunteer in class, and observe classroom activities,
 - ensuring regular communication between family members and school staff to the extent possible, in a language that family members can understand

Parent’s Responsibility:

- Encourage your child to attend school regularly
- Encourage your child to use positive school behavior
- Set regular times for homework and support effort, completion, and correctness
- Set limits on the amount of time your child spends in front of a screen such as a television, smartphone, or computer and encourage positive use of your child’s additional time
- Volunteer in your child’s school and classroom if time or schedule permits
- Attend parent-teacher conferences and when it is appropriate, participate in decisions about the education of your child.

Please review this School-Parent Compact with your child. This School-Parent Compact may be discussed with you during a parent-teacher conference as it relates to your child’s progress in school.

Important Information Regarding Exemptions and Field Trips

In order for a student to be eligible for semester test exemptions and field trips, a free and reduced meal application must be on file for the student. This board-adopted policy was necessary in order for your school district to receive its share of MAEP funds for at-risk students. The decrease in the number of parents filling out the applications for the 2017-2018 school year cost your school district over \$30,000. This money would have been spent on addressing your son or daughter's academic strengths and weaknesses. The information you share on the meal application is bound by Federal confidentiality statutes. Thank you for your consideration in this matter.
